However, the PART (Performance Appraisal Review of Teachers) form will continue to be used for contractual faculty members. The form is attached as Annexure: III.
Agenda 02.2026.04	To review the quantitative criteria of NAAC AQAR 2025-26. Description: IQAC has prepared a list of quantitative parameters on the basis of NAAC/NIRF guidelines. Further the frequency of review of these parameters is also identified. The data was compiled on the basis of previous AQARs. The list of these quantitative parameters with frequency of review is attached as annexure IV. The Committee emphasized that institutional data should not remain limited to tabular presentation. Wherever appropriate, data should be presented through informatics, dashboards, graphs, charts, trends and comparative analyses for better interpretation and decision-making. It was further discussed that quality parameters should systematically be: Monitored → Measured → Analysed → Evaluated → Improved through an Action Plan. Resolution: The Committee recommended that the complete data-management cycle should be maintained and reviewed regularly. Every major quality parameter should have a measurable target set by the departmental IQAC and its performance against the target should be reviewed by the respective Schools/Institute/ Sections/ Cell of

Agenda 02.2026.06.2	Table agenda –6.2: To discuss the status of Seed Money Scheme Application under Cycle 11. Description: As per the data presented by the IQAC regarding the applications received from faculty members of different schools, no application was submitted from the faculty members of GTU School of Pharmacy. The reasons for not applying for the Seed Money Scheme were discussed and found that the 2nd instalment of the approved grant takes longer period of time and as a result faculty members have to spent their own amount for the same. The Committee deliberated on the mechanism for release of grants under the Seed Money Scheme and recommended a stage-wise disbursement mechanism to ensure both timely availability of funds and effective monitoring. Moreover, committee suggested that a comprehensive Project Timeline/ Monitoring Calendar shall be prepared and circulated to all concerned investigators/Schools. It should clearly indicate timelines for different activities as under: • Project commencement • Release of 1st instalment • Submission of progress report and self-declaration for utilization of first instalment • Release of 2nd instalment (If applicable) • Submission of final report & Utilization Certificate • Presentation of relevant research outcomes • Project completion and release of last instalment
